

NATIONAL & INTERNATIONAL PRESENTATIONS/CHAIRMAN

Management of Giant Calcified Thoracic Disc Herniations

Keynote lecture

N A Quraishi

BASS Webinar, September 2020

Use of Navigation in Spinal Deformity

Invited lecture/case discussions

N A Quraishi

Medtronic Surgical Synergy Symposium

Split, Croatia, November 2019

Anterior to Psoas Approach

Scenario & Strategy

Invited Lecture

N A Quraishi

Globus Lateral Access Techniques Cadaveric Training Programme

Manchester, Oct 2019

Anterior to Psoas Approach

Technique & Case Review

Invited Lecture

N A Quraishi

Globus Lateral Access Techniques Cadaveric Training Programme

Manchester, Oct 2019

Anterior to Psoas Approach

Bioskills Lab Faculty

N A Quraishi

Globus Lateral Access Techniques Cadaveric Training Programme

Manchester, Oct 2019

Nottingham Anterior Spinal Access Cadaveric Course

Chair & Demonstrator

N A Quraishi

Nottingham, Aug 2019

Anterior Lumbar Access

Lecture

N A Quraishi

Nottingham Anterior Spinal Access Cadaveric Course, Nottingham, Aug 2019

Antero-lateral and Lateral Access to the Lumbar Spine

Lecture

N A Quraishi

Nottingham Anterior Spinal Access Cadaveric Course, Nottingham, Aug 2019

Kyphosis and Ankylosing Spondylitis Surgery

Invited lecture

N A Quraishi

Nottingham Intraoperative Monitoring Development Programme, Nottingham, May 2019

Insertion of Cervical Pedicle Screws

Invited lecture

N A Quraishi

Complex Cervical Exposures Cadaveric Course, Nottingham, April 2019

Trans-oral Approaches to the Upper Cervical Spine

Invited lecture

N A Quraishi

Complex Cervical Exposures Cadaveric Course, Nottingham, April 2019

Reduced Radiation Protocol for O-arm Navigation in Paediatric Spinal Deformity Patients: A Feasibility Study

Podium presentation

S Kapoor, A Hillis, **N A Quraishi**

British Association of Spine Surgeons, Brighton, March 2019

Eurospine, Helsinki, 2019

Malpractice Litigation and Spinal Surgery in the National Health Service: A Single-Centre Perspective Over 12 Years

D D'Aquino, A Hillis, K Salem, **N A Quraishi**

British Association of Spine Surgeons, Brighton, March 2019

Can Radiological Findings Predict the Outcome of Spinal Cord Injury?

D D'Aquino, A Hillis, A Eisa, **N A Quraishi**

British Association of Spine Surgeons, Brighton, March 2019

Proximal Junctional Kyphosis in Patients with Adult Spinal Deformity (ASD) Undergoing Corrective Surgery with a Long Spinal Fusion from T10 to Pelvis

Podium presentation

A Hillis, D D'Aquino, S Kapoor, **N A Quraishi**

British Scoliosis Society

Belfast, Ireland, November 2018

Do Intraoperative Radiographs in Adult Deformity Surgery Reflect the Final Radiographic Result?

A Hillis, K Salem, **N A Quraishi**

Poster presentation

British Scoliosis Society, Belfast, Ireland, November 2018

Podium presentation

British Association of Spine Surgeons, Brighton, March 2019

Health-Related Quality of Life (HRQoL) Improvement Following Complex Adult Spinal Deformity Surgery

A Hilis, D D'Aquino, **N Quraishi**

Poster presentation

British Association of Spine Surgeons, Brighton, March 2019

L5 corpectomy and reconstruction: a systematic review of outcomes following conventional two-stage posterior-anterior, anterior-only or posterior-only approaches

D D'Aquino, A Hilis, N Sadanandan, K Deogaonkar, **N Quraishi**

Poster presentation

British Association of Spine Surgeons, Brighton, March 2019

High Grade Spondylolisthesis – Case Presentation

Invited Lecture

British Scoliosis Society

Belfast, Ireland, November 2018

Is it Necessary to Assess Sagittal Balance in Adults?

Invited Lecture

Passionate About Spine

Dublin, Ireland, November 2018

A Systematic Review On The Outcomes Of Endoscopic Discectomy And Minimal Invasive Discectomy Compared To Conventional Microdiscectomy

Giuseppe Lambros Morassi, Sherief Elsayed, **Nasir Quraishi**

Podium presentation

Eurospine, Barcelona, October 2018

“Life is ours, we live it our way“ Metallica, Nothing else matters

- Quality of life improvement after surgery for metastatic tumors of the spine: prospective cohort study

Invited lecture

5th International Spine Tumor Days

Dresden, Germany, June 2018

Resection and Dura / Vessel Management

Session moderator

5th International Spine Tumor Days

Dresden, Germany, June 2018

Low Back Pain, NICE and the F12 Pathway (for GPs)

Invited Lecture

June 2018

Low Back Conditions and Sports

MSc (Sports) lectures, Nottingham University Hospital

March 2018

Neck Problems and Sports

MSc (Sports) lectures, Nottingham University Hospital
March 2018

Case Discussions: My most challenging cases

Invited lecture (with Mr M Shafafy)
4th International Qatar Spine Conference
Doha, Qatar, February 2018

Minimal invasive vs open techniques in deformity surgeries

Invited lecture
4th Qatar International Spine Conference
Doha, Qatar, February 2018

Is it necessary to reduce high grade spondylolisthesis?

Invited lecture
4th Qatar International Spine Conference
Doha, Qatar, February 2018

Does Adult Deformity Correction significantly improve quality of life?

Invited lecture
4th Qatar International Spine Conference
Doha, Qatar, February 2018

Adult Spinal Deformities

Chair
4th Qatar International Spine Conference
Doha, Qatar, February 2018

Achieving shoulder and pelvic balance in AIS

Invited lecture
4th Qatar International Spine Conference
Doha, Qatar, February 2018

Safety and Efficacy of Minimally Invasive Oblique Lumbar Interbody Fusion (OLIF) as First Stage Corrective Procedure for Adult Spinal Deformity

Podium presentation
M Venkatesan, N A Quraishi
Minimally Invasive Spine Surgery Society of India
Delhi, India, November 2017

How to do Research That Will Have a Clinical Impact

Guest lecture
Joint European Spine Society & 7th Egyptian Spine Society
Cairo, November 2017

Degenerative Cervical Spine

Session chair

7th Egyptian Spine Society

11th Asian Pacific Cervical Spine Society

Cairo, November 2017

Update on Spinal Cord Injury-Predictors of Neurological Outcome and Survival

Guest lecture

7th Egyptian Spine Society

11th Asian Pacific Cervical Spine Society

Cairo, November 2017

Current Concepts in the Surgical Management of Metastatic Tumour

Guest lecture

7th Egyptian Spine Society

11th Asian Pacific Cervical Spine Society

Cairo, November 2017

Open techniques in spinal deformity surgeries

Invited lecture/debate

Stryker Great Debate meeting

Amsterdam, September 2017

Basic Science FRCS (Tr & Orth) Viva

Nottingham FRCS Basic Science Course

September 2017

Spine and Basic Science

Lecture

Nottingham FRCS Basic Science Course

September 2017

Impact of 3 column osteotomy on health related quality of life measures with adult spinal deformity : A systematic review and meta-analysis

Muralidharn Venkatesan, Jagdeep Atwal, Dritan Pasku, Sarang Sapare, Nasir Quraishi

Quick-fire presentation

Eurospine, Dublin, October 2017

Podium Presentation

British Scoliosis Society, Birmingham, November 2017

New Techniques & Imaging

Session chair

Eurospine, Dublin, October 2017

Current Concepts in the Surgical Management of Spinal Metastases

Invited Lecture

North West Trauma & Orthopaedic Registrar's Symposium

Preston, UK, June 2017

Case of Spinal Metastases – the Case for Cost-Effectiveness

Lecture

AOSpine Advanced Symposium – Spinal Tumours
Milan, Italy, June 2017

Spinal Metastases

Chair

AOSpine Advanced Symposium – Spinal Tumours
Milan, Italy, June 2017

Believe Me – the Most Difficult Case of my Life

Lecture

AOSpine Advanced Symposium – Spinal Tumours
Milan, Italy, June 2017

Controlling Blood Loss in Complex Spinal Surgery

Chair & Lecture

Global Spine Congress, Baxter symposium, Milan, Italy, May 2017

Low Back Pain and NICE Guidance

Lecture

GP symposium, Nottingham Woodthorpe Hospital, April 2017

Transforaminal and Posterior Lumbar Interbody Fusions

Lecture

Medtronic Lumbar Interbody Course, Bordeaux, France April 2017

Minimally Invasive Transforaminal Lumbar Interbody Fusion (TLIF)

Cadaveric Instructor

Medtronic Lumbar Interbody Course, Bordeaux, France April 2017

Minimally Invasive Navigated Posterior Lumbar Interbody Fusion (PLIF)

Cadaveric Instructor

Medtronic Lumbar Interbody Course, Bordeaux, France April 2017

Neuromodulation Versus Revision Surgery for ‘Failed Back Syndrome’

Chair

British Association of Spine Surgeons meeting, Manchester, March 2017

Subaxial Cervical Pedicle Screw Fixation: Safe Zone for Screw Placement – A systematic Review

Short podium presentation

S Haleem, M Malik, N A Quraishi.

British Association of Spine Surgeons meeting, Manchester, March 2017

C5 Palsy After ACDF: Topographic Correlation with Chassaigne’s Tubercle (C6)? A Fresh Cadaveric Study

Podium presentation

A Rajabian, N A Quraishi

British Association of Spine Surgeons meeting, Manchester, March 2017

Is Dysphagia After ACDF due to Recurrent Laryngeal Nerve (RLN) Neuropraxia ? A Fresh Cadaveric Study

Podium presentation

A Rajabian, **N A Quraishi**

British Association of Spine Surgeons meeting, Manchester, March 2017

Four Rod Instrumentation in Long Posterior Spinal Constructs in Order to Prevent Rod Failure in High-Risk Patients after Adult Deformity Surgery

Podium presentation

G Morassi, A Kapinas, **N Quraishi**, M Shafafy

British Association of Spine Surgeons meeting, Manchester, March 2017

Evidence for Cementing in Vertebral Compression Fractures due to Myeloma

Invited lecture

The 3rd UK Myeloma Spinal Meeting

Royal College of Surgeons, London, November 2016

Failed Back Surgery

Chairs: Dr. Tony Tannoury / Dr. Nasir Quraishi

3rd Qatar International Spine Conference

Doha, Qatar, November 2016

Minimally Invasive Surgery for Thoracolumbar Junction to the Sacrum for Deformity - Iliac Fixation is Not Required

Invited lecture/debate

3rd Qatar International Spine Conference

Doha, Qatar, November 2016

Identifying the Best Techniques for Cervical Stenosis with Myelopathy and Loss of Lordosis - Laminectomy and Fusion

Invited lecture/debate

3rd Qatar International Spine Conference

Doha, Qatar, November 2016

Thoracolumbar Trauma In Ankylosing Spondylitis Patients

Invited lecture

3rd Qatar International Spine Conference

Doha, Qatar, November 2016

Appropriate Management of Persisting Pain Following Low Back Surgery- 1st Panel Meeting

Invited committee member, Medtronic

Amsterdam, October 2016

Difficult Cervical Surgery

Chair

N A Quraishi, M Assous

AOSpine Masters Level Specimen
Course - MIS Cervical and Lumbar
Degenerative and Trauma
October 2016, Dubai, United Arab Emirates

Oesophageal Injury: how to Avoid and Manage

Invited lecture
AOSpine Masters Level Specimen
Course - MIS Cervical and Lumbar
Degenerative and Trauma
October 2016, Dubai, United Arab Emirates

Updates on Anterior Grafting, Plating Techniques

Invited lecture
AOSpine Masters Level Specimen
Course—MIS Cervical and Lumbar
Degenerative and Trauma
October 2016, Dubai, United Arab Emirates

Minimally Invasive Surgery for Thoracolumbar Trauma

Chair
AOSpine Masters Level Specimen
Course—MIS Cervical and Lumbar
Degenerative and Trauma
October 2016, Dubai, United Arab Emirates

Prepsaos Lateral Interbody Fusion: Anatomy, Techniques and Differences from Transpsaos Surgery (OLIF)

Debate/invited lecture
AOSpine Masters Level Specimen
Course—MIS Cervical and Lumbar
Degenerative and Trauma
October 2016, Dubai, United Arab Emirates

Cadaveric Exposures: Direct Lateral Interbody Fusion/ Oblique Lateral Interbody Fusion

AOSpine Masters Level Specimen
Course—MIS Cervical and Lumbar
Degenerative and Trauma
October 2016, Dubai, United Arab Emirates

Adult Deformities

BSS Instructional Course on Paediatric and Adult Spinal Deformity,

Chair: N A Quraishi & Pierre Roussouly
Middlesbrough, October 2016

Natural History and what we know

BSS Instructional Course on Paediatric and Adult Spinal Deformity,

Invited lecture
Middlesbrough, October 2016

**Challenges & how to Avoid Complications
BSS Instructional Course on Paediatric and Adult Spinal Deformity,**

Invited lecture
Middlesbrough, October 2016

**The CT-Based Fractal Analysis of Trabecular Bone Structure May Help in Detecting
Decreased Quality of Bone Prior to Urgent Spinal Procedures**

Marcin Czyz, Hesham Radwan, Kamil Eyvazov, **Nasir Quraishi**, Bronek Boszczyk
Podium Presentation
Eurospine, Berlin, October 2016

**C5 Palsy After ACDF: Topographic Correlation with Chassaigne's Tubercle (C6)? A
Fresh Cadaveric Study**

Ali Rajabian, **Nasir A. Quraishi**
Quick-fire presentation
Eurospine, Berlin, October 2016

**Do Different Techniques Influence Blood Loss During Pedicle Subtraction Osteotomy
in Adult Deformity Surgery?**

Giuseppe Lambros Morassi, Roozbeh Shafafy, Sujay Dheerendra, **Nasir Quraishi**, Masood
Shafafy
Poster presentation
Eurospine, Berlin, October 2016

Sagittal Balance

Invited lecture
AOSpine Advanced Level Specimen Course—Lumbar Inter- body Fusion Techniques
Amman, Jordan, May 2016

Surgical Access to the Anterior Lumbar Spine

Invited lecture
AOSpine Advanced Level Specimen Course—Lumbar Inter- body Fusion Techniques
Amman, Jordan, May 2016

Direct Lateral and Antero-Lateral Approaches to the Lumbar Spine

Invited lecture
AOSpine Advanced Level Specimen Course—Lumbar Inter- body Fusion Techniques
Amman, Jordan, May 2016

Anterior Lumbar Interbody Fusion- Case Presentation

AOSpine Advanced Level Specimen Course—Lumbar Inter- body Fusion Techniques
Amman, Jordan, May 2016

Degenerative Scoliosis – Case Presentation

AOSpine Advanced Level Specimen Course—Lumbar Inter- body Fusion Techniques

Amman, Jordan, May 2016

Anterior Lumbar Spinal Access – Cadaveric Workshop Moderator

AOSpine Advanced Level Specimen Course—Lumbar Inter- body Fusion Techniques

Amman, Jordan, May 2016

Welcome and Opening Ceremony Speech

Britspine, Nottingham, April 2016

What's new in Infection?

Introduction to Keynote Lecture, Prof S Rajasekeran

Britspine, Nottingham, April 2016

Systematic Review of Sacroplasty for Metastases to the Sacrum

K Siggins, S Sabou, D Pasku, N A Quraishi

Poster presentation, Britspine, Nottingham, April 2016

Service Evaluation of the Impact of a Specialist Spinal Osteoporosis Nurse in Initiating Bone Health Assessment in Patients Admitted to Hospital with Osteoporotic Vertebral Fractures (VF)

A Haseeb, T Ong, O Sahota, N Marsh, N A Quraishi

Poster presentation, Britspine, Nottingham, April 2016

Influence of Three Different Surgical Instruments on Total Blood Loss in Pedicle Subtraction Osteotomy

R Shafafy, G Morassi, N Quraishi, M Shafafy

Poster presentation, Britspine, Nottingham, April 2016

Reliable Measure of Safe Zone for Cervical Spinal Surgery in Keeping of the Embryologic Origins of the Course of the Recurrent Laryngeal Nerve (RLN) on Right and Left Sides

A Rajabian, M Walsh, N A Quraishi

Special poster, Britspine, Nottingham, April 2016

Outcome and Health Related Quality of Life After Surgery for Spinal Metastases

Nasir Quraishi, G Arealis, D Pasku, B Boszczyk, K Edwards

Podium presentation, Britspine, Nottingham, April 2016

Major Complications of Primary Versus Revision Surgery in Patients Undergoing Corrective Surgery for Adult Spinal Deformity Using 3-Column Spinal Osteotomies

Nasir Quraishi, S Sabou, K Salem

Podium presentation, Britspine, Nottingham, April 2016

Health Related Quality of Life in Patients Undergoing Cervicothoracic Osteotomies for Fixed Cervicothoracic Kyphosis in Patients with Ankylosing Spondylitis

S Sabou, D Pasku, N A Quraishi, H Mehdian

Podium presentation, Britspine, Nottingham, April 2016

Sacral Osteotomies for Correction of High Pelvic Incidence

Nasir Quraishi, A Kapinas, D Pasku

Podium presentation

Britspine, Nottingham, April 2016

A Systematic Review of Pain and Disability Outcomes of Pain Neuroscience Education (PNE) in the Management of Chronic Low Back Pain

Lianne Wood, Paul Hendrick, **Nasir A. Quraishi**

Podium presentation

Britspine, Nottingham, April 2016

Right- versus Left-Sided Exposures of the Recurrent Laryngeal Nerve (RLN) and Its Branches: A Fresh Cadaveric Study Relevant to the Cervical Spine

A Rajabian, **N A Quraishi**

Podium presentation

Britspine, Nottingham, April 2016

Berry's Ligament and the Inferior Thyroid Artery as Reliable Anatomical Landmarks for the Recurrent Laryngeal Nerve (RLN): A Fresh Cadaveric Study Relevant to the Cervical Spine

A Rajabian, **N A Quraishi**

Podium presentation

Britspine, Nottingham, April 2016 & Eurospine, Berlin, October 2016

Back Pain in General Practice

GP invitational lecture

Ramsdale Golf Club, Nottingham, March 2016

High Grade Spondylolisthesis – the Need for Reduction and new Techniques for Three Column Sacral Osteotomies

Invited lecture

International Congress of Innovative Surgery, Coimbra, Portugal, Feb 2016

C1 Unstable Fracture (Jefferson): When it is Unstable? – Take Home Message & Expert Opinion

Invited lecture

AOSpine Davos Courses—Cervical Trauma, Davos, December 2015

Participants' Cases Session

Chair

AOSpine Davos Courses—Cervical Trauma, Davos, December 2015

Posterior Wall of Body Fracture (A3 & A4 Fracture): Burst?

Moderator

AOSpine Davos Courses—Thoracolumbar Trauma, Davos, December 2015

B1 Fracture (Chance Fracture), Pure Osseous Distraction Failure?

Invited lecture

AOSpine Davos Courses—Thoracolumbar Trauma, Davos, December 2015

Degenerative Scoliosis: Clinical Presentation, Radiological Evaluation, Outcome and Complications

Invited lecture, AOSpine Advanced Symposium – Adult Deformity & Spinal Balance
Vilnius, November 2015

Post-Traumatic Deformity

Invited lecture
AOSpine Advanced Symposium – Adult Deformity & Spinal Balance
Vilnius, November 2015

Post-Traumatic and Osteoporotic Deformity

Chair
Invited lecture
AOSpine Advanced Symposium – Adult Deformity & Spinal Balance
Vilnius, November 2015

Achieving Fusion in Deformity Surgery: PLIF, TLIF, ALIF

Invited lecture
AOSpine Advanced Symposium – Adult Deformity & Spinal Balance
Vilnius, November 2015

Influence of Spinopelvic Parameters on Outcome of Spondylolisthesis Surgery

Invited lecture
AOSpine Advanced Symposium – Adult Deformity & Spinal Balance
Vilnius, November 2015

Complication Management – Proximal and Distal Junction Problems, Hardware Failure, Psuedoarthrosis

Group discussion chair
AOSpine Advanced Symposium – Adult Deformity & Spinal Balance
Vilnius, November 2015

Surgical Treatments in Vertebral Compression Fractures

Invited lecture
Fracture Fragility Network,
Rotterdam, September 2015

Reliable Measure of Safe Zone for Cervical Spinal Surgery in Keeping of the Embryologic Origins of the Course of the Recurrent Laryngeal Nerve (RLN) on Right and Left

Rajabian, M. Walsh, N. A. Quraishi
E-poster, Cervical Spine Research Society, London, June 2015

Right Versus Left Sided Exposures of the Recurrent Laryngeal Nerve (RLN) - a Fresh Cadaveric Study Relevant to the Cervical Spine

A. Rajabian, M. Walsh, N. A. Quraishi
E-poster, Cervical Spine Research Society, London, June 2015

Berry's Ligament and the Inferior Thyroid Artery as Reliable Anatomical Landmarks for the Recurrent Laryngeal Nerve (RLN) - a Fresh Cadaveric Study Relevant to the Cervical Spine

A. Rajabian, M. Walsh, N. A. Quraishi

Podium, North American Spine Society, Chicago, October 2015

E-poster, Cervical Spine Research Society, London, June 2015

Global Spinal Tumour Study Group

Invited Faculty, London, UK, July 2015

Management of Cervical Subaxial Metastasis

Invited lecture

NSpine, Nottingham, June 2015

Acute Management of Cervical Spine Injuries

Invited lecture

NSpine, Nottingham, June 2015

The 6th Nottingham Anterior Spinal Access Course

Course Chair, Nottingham, UK, June 2015

Podium presentation, Antero-lateral approach to lumbar spine

Invigilator for cadaveric session

Chair for live surgery session

AOSpine Principles in Research

Co-chair

Cairo, Egypt, June 2015

AOSpine Principles in Research

Oral presentations

Oral Presentation

Faculty, AOSpine Advanced Course in Degenerative Spinal Disorders

Riga, Latvia, November 2014

British Spinal Tumour Group

Invited panel member, Birmingham, Nov 2014

Outcomes of Management and Risks of Recurrence of Symptomatic Spinal Hemangiomas: A Multicenter Series of 68 Cases

Christina L Goldstein, Ziya L Gokaslan, Alessandro Luzzati, Laurence D Rhines, Charles G Fisher, Dean Chou, Richard Williams, **N A Quraishi**, Chetan Bettegowda, Norio Kawahara, Michael G Fehlings.

Poster presentation, San Francisco, USA, November 2014

A Radiographic Analysis of Cervical and Pelvic Parameters Following Segmental Correction of Scheuermann's Kyphosis

Hossein Mehdiian, Georgios Arealis, Sherief Elsayed, Oliver Stokes, **N A Quraishi**

Podium presentation, Eurospine, Lyon, France, October 2014

Prognostic Variables for Local Recurrence and Overall Survival After Surgical Treatment of Sacral Chordoma an Analysis from AOSpine Tumour Knowledge Forum Primary Spinal Tumour Retrospective Database

Peter Pal Varga, Zsolt Szoverfi, Ziya Gokaslan, Charles Fisher, Stefano Boriani, Mark Dekutoski, Dean Chou, **N A Quraishi**, Michael Fehlings, Laurence Rhines
Podium presentation “Best of Show”, Eurospine, Lyon, France, October 2014

V-Y Vertebral Body Osteotomy for the Treatment of Fixed Flexion Deformity of the Spine Hossein Mehdian, Georgios Arealis, Sherief Elsayed, Oliver Stokes, **N A Quraishi**.
Podium presentation, Eurospine, Lyon, France, October 2014

A Multicentre Retrospective Cohort Study of Spinal Osteoid Osteomas: Surgical Treatment and Local Recurrence Results

N A Quraishi, Stefano Boriani, Peter Pal Varga, Alessandro Luzzati, Ziya L. Gokaslan, Michael G. Fehlings, Charles G. Fisher, Laurence D. Rhines, Jeremy J. Reynolds, Richard Williams
Podium presentation, Eurospine, Lyon, France, October 2014

Primary Osteosarcomas of The Spine: A Multicenter Review of 57 Surgical Cases

Michelle J. Clarke, Peter Pal Varga, Laurence D. Rhines, Charles G. Fisher, Dean Chou, **N A Quraishi**, Michael G. Fehlings, Ziya L. Gokaslan, Stefano Boriani.
Podium presentation, Eurospine, Lyon, France, October 2014

The 2014 Scoliosis Research Society Travelling Fellowship

N A Quraishi, M Enercan, J Naresh Babu, D Chopin
Podium Presentation at the 49th SRS meeting, Anchorage, Alaska, September 2014

Complications in Primary versus Revision 3 Column Osteotomy in Adult Spinal Deformity

N A Quraishi, A Khurana, A Spencer, K Salem
Oral presentation
Hospital for Bone & Joint Disease, New York, USA, SRS
San Francisco, USA
Scoliosis Research Society Travelling Fellowship, August-September 2014

Radiological Outcome of Cervical and Lumbar Parameters with Surgical Correction in Scheuermann’s Kyphosis

H Mehdian, G Arealis, **N A Quraishi**
Oral presentation
San Diego Childrens’ Hospital, USA, Scoliosis Research Society Travelling Fellowship,
August-September 2014

Current Concepts in the Surgical Management of Spinal Metastases

Oral presentation, St Louis, USA, Scoliosis Research Society Travelling Fellowship, August-September 2014

Global Spinal Tumour Study Group

Invited Faculty, London, UK, July 2014

The 5th Nottingham Anterior Spinal Access Course

Course Chair, Nottingham, UK, June 2014

Podium presentation, Complications in the Anterior Lumbar Retroperitoneal Approach

Invigilator for cadaveric session

Chair for live surgery session

Reducing the Pelvic Incidence Through a S2 Pedicle Subtraction Osteotomy with Sacral-

Pelvic Disarticulation and Anterior Pelvic Rotation

A Khurana, **N A Quraishi**

Invited podium presentation, Britspine meeting, Warwick, April 2014

Multi-Centre Retrospective Cohort Study of Spinal Osteoid Osteomas: Surgical Treatment and Local Recurrence Results

N A Quraishi, S Boriani, P Varga, A Luzzati, Z L Gokaslan, M G Fehlings, C Fisher, M Dekutoski, L Rhines, J Reynolds, C Bettegowda, N Kawahara, R Williams

Invited podium presentation, Britspine meeting, Warwick, April 2014

Trans-oral Approach for the Management of a C2 Neuroblastoma

Salem, J Visser, **N A Quraishi**

European Spine Journal 23 (1), S107, April 2014

Invited special poster presentation, Britspine meeting, Warwick, April 2014

The Nottingham Questionnaire: A New Tool to Assess Quality of Life in Neuromuscular Scoliosis

Hoda Mohajer-Bastami, Ann Marriott, Jim Hegarty, George Arealis, Bev Beeson, **N A Quraishi**, Hossein Mehdian

Invited poster presentation, Britspine meeting, Warwick, April 2014

Cementing Procedures in Multiple Myeloma

Invited lecture, The 2nd UK Myeloma Spinal Meeting, Royal College of Surgeons, London, UK, November 2013

Spinal Fracture Service

Invited lecture, Nottingham Orthogeriatric Preceptorship Programme, Nov 2013

British Spinal Tumour Group

Invited panel member, Birmingham, Nov 2013

Metastatic Spinal Cord Compression 5th Annual Meeting, Birmingham, Nov 2013

Chair, Ethics and Spinal Oncology

Chair, Management of Spinal Metastasis and Instability

A Novel Model for Rare and Often Neglected Neoplastic Conditions

Fisher C, Boriani S, Varga PP, Rhines LD, Bilsky MH, Dekutoski MB, Fehlings MG, Reynolds JJ, Williams RP, Chou D, Berven S, **N A Quraishi**, Bettegowda C, Gokaslan ZL.

Podium presentations:

Association for Collaborative Spine Research Meeting, San Diego, CA, USA, February 15-16, 2013.

Thirteenth Annual Scientific Conference of the Canadian Spine Society, Mont-Tremblant, QC, Canada, February 27-March 2, 2013.

Eleventh Annual AOSpine North America Fellows Forum, Banff, AB, Canada, March 14-16, 2013.

Third Charité Spine Tumour Days, Berlin Germany, May 31-June 1, 2013.

AOSpine knowledge forum tumour international dataset for primary tumours of the spine.

20th International Meeting on Advanced Spine Techniques, Vancouver, BC, Canada, July 10-13, 2013.

E-poster: Global Spine Congress 2013, Hong Kong, April 4-6, 2013

The 4th Nottingham Anterior Spinal Access Course

Course Chair, Nottingham, UK, September 2013

Podium presentation, Complex Upper Anterior Cervical and Cervico-thoracic Techniques

Invigilator for cadaveric session

Chair for live surgery session

NSpine course

Co-chair (with B M Boszczyk) & Faculty, September 2013

Chair, Master class in Spinal Tumour and Deformity

Podium presentation, The Unknown Primary Presenting as Metastatic Spinal Cord Compression

Podium presentation, Quality of Life and Outcome after Surgery for MSCC

Chair, Minimal Access Techniques session

Chair, Spinal Tumour session

Podium presentation, Minimal Access Techniques – PLIF, TLIF, XLIF

Chair and Podium presentation - Anterior Lumbar Access Techniques

Podium presentation, Spinal Stenosis – Assessment and Treatment Strategies (for trainees)

Podium presentation, Treatment Strategies in MSCC (for trainees)

Podium presentation, Primary Spinal Tumours (for trainees)

Podium presentation, Spinal Tumours (for patients)

Quality of Life and Outcome Following Surgery for MSCC

Invited podium presentation, British Sarcoma Meeting, Nottingham, March 2013

Young Spine Leaders Forum - European Spine Society

Invitation by President of the European Spine Society as 1 of 2 spinal surgeons from the UK to this forum in Palma, Majorca, June 2013

Revision Strategies and Biologics in Spinal Tumour Reconstruction

N A Quraishi, B M Boszczyk

Invited Podium presentation, 3rd Spine Tumour Days, Charite, Berlin, Germany May/June 2013

Surgical Management of Vertebral Compression Fractures

Nottingham perceptorship meeting, National Osteoporosis meeting, Nottingham, April 2013

Management of Vertebral Compression Fractures

Invited lecture to patients/public, National Osteoporosis Society, Nottingham, April 2013

AOSpine Foundation host

N A Quraishi, J Hegarty, H Mehdian

SCOLI 1 study in association with SRS and AO Spine, Nottingham, April 2013

Basic Surgical Skill Course

Invited Faculty & Session Chair, Nottingham, March 2013

Royal College of Surgeons of England

The Unknown Primary Presenting as Metastatic Spinal Cord Compression

N A Quraishi, S R Manoharan, G Arealis, K L Edwards, B M Boszczyk

Podium presentation, British Association of Spine Surgeons, Norwich, UK, March 2013

Poster presentation, IMAST, Vancouver, July 2013

AOSpine Tumour Knowledge Forum

Invited Faculty, Association for Collaborative Spinal Research, San Diego, USA, January 2013

The 30-day Mortality Rate in the Surgical Treatment of Patients with Metastatic Spinal Cord Compression

N A Quraishi, S R Manoharan, G Arealis, K L Edwards, B M Boszczyk

Podium presentation, Association for Collaborative Spinal Research, San Diego, USA, January 2013

Podium presentation, British Association of Spine Surgeons, Norwich, UK, March 2013

Podium presentation, Charite Tumour meeting, May 2013, Berlin, Germany

Podium presentation, International Meeting for the Advancement of Spinal Techniques (IMAST), Vancouver, July 2013

Podium presentation, North American Spine Society, New Orleans, USA, October 2013

Poster presentation, Eurospine, Liverpool, October 2013

Global Spinal Tumour Study Group

Invited Faculty, Paris, France, January 2013

Management of Primary Spinal Tumours, Spinal Metastasis and Metastatic Spinal Cord Compression

Chair

Invited speaker, Cambridge Specialist Registrar's programme, Addenbrooke's Hospital, Cambridge, January 2013

Current Concepts in the Management of Metastatic Spinal Tumours

T.S. Rajagopal & **N A Quraishi**

Invited Lecture, 57th Annual Conference of the Indian Orthopaedic Association, Chennai, December 2012

East Midlands Cancer /Network Site Meeting for MCCC

Chair

Presentation of East Midlands Audit on MSCC – A NICE recommendation, Nottingham, March 2012

Future Surgeons: Key Skills Course

Faculty & Chair for Surgical Station

The Royal College of Surgeons of Edinburgh, Nottingham, UK, November 2012

Global Spinal Tumour Study Group (GSTSG) Meeting

Invited Faculty

Dallas, USA, November 2012

Selection of Distal Instrumentation Level in Posterior Segmental Screw Fixation in the Correction of Adolescent Idiopathic Scoliosis

J Clamp, B Boreham, T Hammett, **N A Quraishi**, H Mehdian

Poster presentation, IMAST, Istanbul, Turkey, July 2012

The Spine and Basic Science

Invited speaker and examiner for vivas at the Nottingham Basic Science Course for the FRCS, Nottingham, September 2012

V-Y Vertebral Body Osteotomy for the Correction of Fixed-Flexion Deformity of the Lumbar Spine

H Mehdian, B Boreham, T Hammett, **N A Quraishi**, A Ranganathan

Poster presentation, IMAST, Istanbul, Turkey, July 2012

Podium presentation, Eurospine, October 2013

Segmental Self Growing Rod Constructs in the Management of Early Onset Neuromuscular Scoliosis

SMH Mehdian, T Hammett, G Arealis, B Boreham, J Clamp, **N A Quraishi**

Podium presentation, Britspine, Newcastle, April 2012

Podium presentation, Scoliosis Research Society, Chicago, September 2012

Podium presentation, Early onset scoliosis and growing spine (ICEOS) symposium, Dublin, Ireland, November 2012; Awarded Best Paper

The 3rd Anterior Exposures Course in Spinal Surgery

Course Chair

Synthes cadaveric/live surgery exposures course, Nottingham, June 2012

Postero-lateral Transpedicular Cervical Corpectomy and Stabilisation: Technical Report

T Hammett, **N A Qurashi**, H Mehdian

Poster presentation, Spineweek, Eurospine, Amsterdam, May 2012

Quality of Life Following Surgery for Metastatic Spinal Cord Compression

Invited lecture

AOSpine Knowledge Forum, TumoUr Spine Symposium, Spineweek, Amsterdam, May 2012

The Timing of Surgery in Metastatic Spine Cord Compression

N A Quraishi, S Elsayed, T Rajagopal

Podium presentation, Spineweek, Eurospine, Amsterdam, May 2012

Podium presentation, 2nd Bologna-Budapest Spine Meeting on Tumours & Osteoporosis, September 2012

Poster presentation, North American Spine Society, Florida, Orlando, USA, September 2010

Access-Related Complications in Anterior Lumbar Surgery Performed by Spinal Surgeons

N A Quraishi, M Konig, S Booker, M Shafafy, B Boszczyk, M Grevitt, H Mehdian, J K Webb

Podium presentation, NASS, Dallas November 2012

Podium presentation, Spineweek, Eurospine, Amsterdam, May 2012

Podium presentation, Britspine meeting, Newcastle, May 2012

Outcome of Embolized Vascular Metastatic Spinal Tumours Causing Cord Compression

N A Quraishi, S Purushamtodas, R Lenthall, M Grevitt

Podium presentation, Spineweek, Eurospine, Amsterdam, May 2012

Podium presentation, Britspine meeting, Newcastle, May 2012

Podium presentation, 2nd Bologna-Budapest Spine Meeting on Tumours & Osteoporosis, September 2012

Podium presentation, North American Spine Society, Dallas, November 2012

Radiological Outcome Analysis of the Discocerv Cervical Disc Replacement

Nitulescu A, Giannoulis K, König M, Arlachov Y, Balamurali G, **N A Quraishi**, Boszczyk B.M.

Podium presentation, Spineweek, Eurospine, Amsterdam, May 2012

Podium presentation, Britspine meeting, Newcastle, May 2012

East Midlands Cancer /Network Site Meeting for MSCC

Chair

Nottingham, March 2012

Management of Spinal Metastases and Metastatic Spinal Cord Compression

Invited speaker

Yorkshire Specialist Registrar's symposium, Doncaster, February 2012

East Midlands Cancer / Network Site Meeting for MSCC

Chair

Nottingham, November 2011

Quality of Life and Functional Outcome after Surgery for Metastatic Spinal Cord Compression

Invited lecture and Chairman for workshops

NCAT/3rd Annual MSCC Conference, Birmingham, November 2011

The Spine and Basic Science

Invited speaker at the Nottingham Basic Science Course for the FRCS (Tr & Ort)

Nottingham, September 2011

Does the Grade of Epidural Cord Compression correlate with Neurological recovery following Surgery for Metastatic Spinal Cord Compression?

N A Quraishi, S Purushamtadas, Y Archalov, K Giannoulis

Podium presentation, Charite Spinal Tumour symposium, Berlin, March 2011

Podium presentation, IMAST, Copenhagen, July 2011

Podium presentation, North American Spine Society, Chicago, November 2011

Anterior Exposures Course in Cervical and Lumbar Spinal Surgery

Course chairman

Synthes cadaveric exposures course, Nottingham, June 2011

Surgical Site Infection following Surgery for Metastatic Spinal Cord Compression

N A Quraishi, N Hunt, T Rajagopal

Podium presentation, Charite Spinal Tumour symposium, Berlin, March 2011

Podium presentation, IMAST, Copenhagen, July 2011

Minimally Invasive Techniques in the Management of Osteoporotic Vertebral Compression Fractures

Invited Lecture

British Geriatric Society, Liverpool, May 2011

Metastatic Tumours of the Lumbo-sacral Junction and Sacral Spine

N A Quraishi, K Giannoulis, B M Boszczyk

Podium presentation at British Association of Spine Surgeons, Edinburgh, February 2011

Podium presentation at North American Spine Society, Chicago, November 2011

Current Concepts in the Surgical Treatment of MSCC

Chairman/Invited speaker

North West Region Specialist Registrar's symposium, Preston, February 2011

Intra-operative Localisation of Thoracic Spine Level: A Simple 'K Wire' in Pedicle Technique

N A Quraishi, S Thambiraj

Podium presentation at the British Association of Spine Surgeons, Edinburgh, February 2011

Timing of Radiological Diagnosis and Surgical Intervention in Patients with Metastatic Spinal Cord Compression

N A Quraishi, K Giannoulis, D Copas

Podium presentation at British Association of Spine Surgeons, Edinburgh, February 2011

Comparison of Mortality Risk in Operated (Vertebroplasty or Balloon Kyphoplasty) Versus Non-Operated Patients: 410,965 Vertebral Fracture Patients of The US Medicare Population

N A Quraishi, S Kurtz, K Ong, E Lau

Podium presentation at British Association of Spine Surgeons, Edinburgh, February 2011

Metastatic Spine Cord Compression, NCAT Meeting

Co-chairman for Workshops

Birmingham, November 2010

Cadaveric Demonstration of Thoracoscopic Spinal Surgery

Course Chairman, hosted by B Braun

Anatomy department, Nottingham, October 2010

Cadaveric Demonstration of the OsseoFix System

Course Chairman, hosted by Alphatec

Anatomy department, Nottingham, October 2010

Balloon Kyphoplasty User Group Meeting

Course Chairman, hosted by Medtronic

Birmingham, September 2010

Anterior Exposures Course in Cervical and Lumbar Spinal Surgery

Course Co-chairman (with M Grevitt)

Synthes cadaveric exposures course, Nottingham, June 2010

Minimal Access Surgery in Spinal Fracture Stabilisation

Course chairman

Hosted by Medtronic - Kyphon cadaveric course, Nottingham, June 2010

Litigation in Spine Surgery – Analysis of 10 years data from the NHSLA

N A Quraishi, I Potter

Podium presentation, Britspine, Liverpool, April 2010

The Effect of Timing of Decompression and Stabilisation Surgery on Recovery in Patients with Metastatic Spinal Cord Compression (MSCC).

S Elsayed, N A Quraishi

Podium presentation at Britspine, Liverpool, April 2010

The Revised Tokuhashi Score and Survival in Patients with Metastatic Spinal Disease

S Elsayed, N A Quraishi

Podium presentation at Britspine, Liverpool, April 2010

Podium presentation at IMAST, Copenhagen, July 2011

Experience of a Spine Fellowship: A qualitative analysis

S Elsayed, N A Quraishi

Podium presentation at Britspine, Liverpool, April 2010

Reinventing the Community Back Pain Clinic: Interim Results from novel Community MDT assessment.

R Ahluwalia, N A Quraishi, S P F Hughes

Podium presentation at Britspine, Liverpool, April 2010

Minimal Access Surgery in Spinal Oncology

DePuy breakout session lecture at Britspine, Liverpool, April 2010

Primary Spinal Tumours

Chair

Podium presentation, Management of Spinal Tumours, Cambridge Registrar Teaching, March 2010

Spinal Imaging

Podium presentation, AOSpine meeting in Degeneration, Deformity and Tumours in Spine, Sheffield, March 2010

NICE guidelines in MSCC

Podium presentation at AOSpine meeting in Degeneration, Deformity and Tumours in Spine, Sheffield, March 2010

Management of Acute Spinal Cord Injury

Session Chairman

AO Spine meeting in Degeneration, Deformity and Tumours in Spine, Sheffield, March 2010

Minimal Access Techniques in Spine Surgery/Cadaveric dissections

Course Chairman

Launch of Osseoplasty, Osseon Nottingham, February 2010

Live surgery demonstration of hemivertebra excision and reconstruction

N A Quraishi, M Grevitt

Conducted live surgery at AO Spine Live Surgery Symposium, Nottingham, June 2009

The 'Mini- Open' Posterior Lumbar Interbody Fusion and Spinal Instrumentation in Patients with High-Grade Spondylolisthesis

N A Quraishi, Y R Rampersaud

Poster presentation, Society of Minimally Invasive Spine Surgery, Las Vegas, November 2009

Current Concepts in the Management of Metastatic Cord Compression

Podium presentation, AOSpine Live Surgery Symposium, Nottingham, June 2009

Stabilisation of the Mid-Lower Cervical Spine

Faculty, Chair (practical exercises)

Invited speaker, AOSpine Trauma symposium, Oxford, March 2009

Meta-analysis of Nerve Root Injections in Lumbar Spine Surgery

R Ahluwalia, **N A Quraishi**

Podium presentation, British Association of Spine Surgeons, Sheffield, February 2009

A Prospective Study of Lumbar Nerve Root Injections in the Lumbar Spine – 5 year outcome

R Ahluwalia, **N A Quraishi**, D J Sharp, J M Powell

Podium presentation, British Association of Spine Surgeons, Sheffield, February 2009

Intra-operative Multimodality Monitoring in Adult Spinal Deformity: Analysis of a Prospective Series of 102 Cases with Independent Evaluation

N A Quraishi, S J Lewis, M O Kelleher, R Sarjeant, Y R Rampersaud, M G Fehlings

Podium presentation, North American Spine Society, Toronto, October 2008.

Early Onset Scoliosis and The Use of Growing Rods

Chair

Invited lecture AO Spine for ORPs, Warwick, April 2008.

Intra-operative Monitoring in Spine Surgery

M O Kelleher, **N A Quraishi**, R Sarjeant, M G Fehlings

Invited lecture, American Academy of Neurological Surgeons, Washington, April 2007.

En Bloc Resection of Primary Bronchogenic Tumours with Direct Spinal Column Invasion

N A Quraishi, M Anraku, Y R Rampersaud, S L Lewis

Poster presentation, Canadian Spine Society meeting, March 2007

Poster presentation, IMAST, Bahamas, July 2007

Podium presentation, Britspine, April 2008

Upper Cervical Metastasis and Complex Anterior Cervical surgery

N A Quraishi, S Lewis, M G Fehlings

E. Harry Botterel Lecture in Neurosurgery 2006, Toronto Canada 2007

Thawing the Frozen Shoulder - Hydrodilatation Versus Manipulation Under Anesthesia - Which Is Better For Adhesive Capsulitis?

N A Quraishi, P Johnston, J Bayer, M Crowe, A Chakrabarti

Podium presentation, British Elbow and Shoulder Surgery Society, Cambridge, UK, July 2005.

Podium presentation, American Academy of Orthopaedic Surgeons, Chicago, March 2006.

Fracture of The Femoral Stem Of The Collarless Polished Tapered (CPT) Hip Prosthesis

P Yates, **N A Quraishi**, C Marx

Podium presentation, The British Hip Society, Wrightington, UK, March 2005

Persistent Anterior Knee Pain After Tibial Intramedullary Nailing

N A Quraishi, M A Chaudhry, T Boerger

Podium presentation, British Trauma Society, Royal London Hospital, Whitechapel, London, October 2003

Poster presentation, American Academy of Orthopaedic Surgeons, San Francisco, March 2004

Correlation of Nerve Root Pain with Dermatomal Sensory Threshold and Low Back Pain with Spinal Motion in Patients with Spinal Lumbar Spondylosis

N A Quraishi, O Taherzadeh, A H McGregor, SPF Hughes & P Anand

Poster presentation, International Society for the Study of the Lumbar Spine, Vancouver, Canada, May 2003.

Antibiotic Prophylaxis in Spinal Surgery - Which is Best for Spinal Surgery? A Comparison Between Cefuroxime and Gentamicin

CC Tai, S Want, **N A Quraishi**, J Batten, M Kalra, S P F Hughes

Podium presentation, VII International Spinal Surgery Conference, Imperial College School of Medicine, Hammersmith Hospital, September 2000

Podium presentation, SICOT 2002, St Petersburg, Russia

The Chronic Effects of Total Knee Replacement On Lower Limb Venous Haemodynamics

N Hunt, C Delios, **N A Quraishi**, R K Strachan

Poster presentation at **SICOT 1999**, Sydney.

Self-Monitoring Dysfunction and the Schizophrenic Symptoms of Alien Control

N A Quraishi, J D Stirling, J S E Hellewell

Podium presentation, The 1996 International Schizophrenia Conference, Geneva, Switzerland.

Nominated for the 'Young International Scientist of the Year'
